

# Answer the Call Campaign

Date: \_\_\_\_\_

To Whom It May Concern,

I am writing as a Canadian to express my support for the **Answer the Call** campaign led by **AfterGlo Wellness Society Ltd.**

As a Canadian, I believe our veterans deserve access to the highest standard of evidence-based mental health care.

I support the work of **AfterGlo Wellness Society Ltd.** and the **Answer the Call** campaign to advance collaboration, education, and research that will help improve future care for veterans and first responders.

I encourage continued cooperation between governments, universities, researchers, healthcare professionals, and community organizations to strengthen Canada's veteran mental health research capacity.
